A room with a wall mural of tulips and a wooden console table. The mural features several large, vibrant tulips in shades of orange, red, and pink, with green leaves. The tulips are arranged in a cluster, with some taller than others. In front of the mural is a light-colored wooden console table with a central open shelf and two drawers on either side. On the table, there are several small, light-colored ceramic vases and a small stack of books. The room has a large window on the left and a door on the right. The overall atmosphere is bright and modern.
